

T.L.C.

Welcome to Tennison Learning Center (TLC). TLC is a vital part of the ministries of Tennison Memorial United Methodist Church in our outreach to families with young children. Our mission at TLC is to provide an opportunity for your pre-school children to learn and play together in a friendly, happy, Christian atmosphere where, through cooperative interaction, they will gain new skills, form good habits, and learn to be responsible members of a group.

Hi, I am Julie Campbell, the wife of Tracey Campbell for the past 14 years, and mother of Jonah 7 yrs and Joshua 4yrs. I am native to Mount Pleasant and am happy to be back here with family. I was a stay home mom for the 5 years, prior to coming to TLC, and during that time have enjoyed pursuing my education. After completing all my coursework, I am currently working on my dissertation and with the Lord's help will graduate with my Ph.D. in Christian Education Administration within the next two years. I have enjoyed teaching in public schools but consider myself blessed to be here at T.L.C. as the Director. When a school takes the love of children, the expectation of the best, and the power of prayer, mixes it together and adds a loving family environment, it is sure to be a blessed ministry. May God Bless you for allowing us to be part of your child's education, growth, and development.

Hello! My name is Chuck Huffman, and I am blessed to serve as the pastor at Tennison UMC. I served from 1999-2003 as pastor of the Saint Andrew and West New Hope churches here in Mt. Pleasant; and my grandparents on my mother's side lived in Mt. Pleasant and were members of Tennison, while my grandparents on my father's side lived in Cookville. It is an honor to be back here in this town that has been such a part of my family history, and to have this great opportunity to give something back to the community and church family! I look forward to meeting you and your precious children, and to helping them grow to be everything God created them to be. Let me assure you that I take our responsibility to you and your family very seriously, and that I will work to insure that our program is the very best. To that end, please feel free to contact me at any time. You can reach me in the church office at 903-572-5341. I pray that you and your child have a wonderful experience at TLC this year!
